Dear Sir

Thank you for completing and returning our Supplier Quality Survey Report. We are pleased to inform you that you have been granted approval to supply products and or services to Thomson Aero as defined within the scope of supply below.

Your approval Number is **TMT1147**

Scope of Approval

**The manufacture an processing of small to medium parts for the precision engineering industry.**

This approval is subject to continued compliance with the details given in the Quality survey submitted to this company. Any changes to the details given in the Quality Survey must be forwarded to Thomson Aero's Quality Manager as soon as practical for re-evaluation of your company's approval status.

Yours faithfully

Kevin Lee  
Quality Manager
